### **AUTHORIZATION AND ASSIGNMENT**

You are hereby authorized to disclose and/or furnish to my attorneys, Fred A. Balkin, and Stein Sperling Bennett De Jong Driscoll PC any and all medical information, bills, and records in your possession which they request in reference to all illnesses and injuries suffered by Charles L. Mattison, including but not limited to the injuries which were sustained on 9/4/2014.

I further irrevocably assign to you, and authorize and direct said attorneys to pay from the proceeds of any recovery in my case, all reasonable fees for services provided by you, or any of its affiliated companies indicated below, including fees for preparation and testimony, as a result of the injury or condition heretofore mentioned. I understand that this in no way relieves me of my personal primary obligation to pay for such services and that the signing of this form does not prohibit customary billing by you.

It is further understood that the statute of limitations in this State is \_\_\_\_\_ years from the time said services were last performed, and I further understand that because of long delays in trial dockets, many cases are not tried or settled until a date which is beyond \_\_\_\_\_ years after the last service was performed. In view of this, I hereby agree that the statute of limitations with respect to any claim for services mentioned above will not begin to run until there is a denial in writing by me of any balance claimed to be due and owing to you by me.

Provider agrees that upon receiving written notification that a PIP and/or first party Medical Payment Coverage audit has occurred and receipt of the supporting documentation from the insurer, that provider will within the time frame specified on the insurer paperwork, file a timely written dispute of the PIP and/or Medical Payment audit, explaining why their treatment should be paid as billed. It is agreed and understood that provider's failure to file PIP and/or Medical Payment audit appeal in a timely manner will result in the audited bill amount being deducted from the patient's balance.
